I can not let the anniversary pass by without sending you my dear & affectionate remembrance & expressing the real sentiments of my heart as it overflows at all times & upon all occasions for my dear son & daughter it is difficult for me to find words to express all the happiness & blessing I long you may enjoy for many many years - I have to lament I am not by me of month the way all my heart feels in your paternity & I wish that wings to fly over to Brighton to be the first to offer my congratulations - I send you old child two doped little Charlotte men upon the occasion, & I am assure you she will be very smart & I hope myself I send will be in equal hunting as I have given her a dress in my own style to make her look up like an old winner than usual. I wish her got quite stout & will require a great many linens & clothes which expense increased my number & the price which is in the house many times to Weymouth - I wish we had

Word of us long since from departure  
Augusta received a letter from the Duke of  
Cumberland to say he intended being in  
Weymouth the 15 or 16 —

Yours truly
