Monday Night

My dear Brother
 Eliza has written
 to you on this subject of Brighton
 therefore nothing more is
 left for me to say but the
 sort of joy I feel at the thought
 of reaching you a word at
that Dear above is some
 & that has made me
 describe the sort of joy
 it gives me to have that
 my other mind you and
 I pray God to bring out to
 the world for ever

There is better to say & enough
less - But you & I & I
much as usual -

Paddy
