My dear Mother

I rejoice to find you  
 are going on well & since as  
 soon as you will take care  
 not to be cold - I feel I am  
 happy to say is getting out  
 of this last attack better  
 than usual though  
 my work - I think is quiet  
 in town but near Chesletts  
 since we parted Saturday  
 as she has been unwell  
 & the matter is so we  
 could not go to Cambridge

but she writes me good reports  
as of the new letters from  
Madame de Bellenave her  
nephew - Grafton
