My dear Brother

received a letter from you
containing the welcome
intelligence that you
were coming to see me
to morrow & that you
give me some real
pleasure & joy than
the prospect of seeing
you to morrow as to business
need say nothing -

course they told you at
Windsor that we are to
visit the Queen at St
James's to dinner at
dinner, but any time
you please to come
before 4 o'clock I shall
be delighted to see you

Yours
