ADDL. MSS. GEO. 112

being only a part of  
 perhaps the weight I am always sorry to be  
 from taking from me deposit the balance  
 better than any one a happiness of being  
 else - but I thought you they almost & had  
 of I wished to see you you they almost & had  
 alone it might have been of weather & still  
 enjoyed her - the same as when meeting  
 means well & I think parents are meeting  
 of all is properly explained to her the but I am very glad  
 will make my best you are parents &  
 of my difficulties but will take care of  
 she entirely does not yourself and well  
 see the situation of things, clearly at present

are scarce & we must save upon we shall have  
 preserve you - for the sake of your great difficulties to be  
 of your part & I for had more talk with  
me I hope you think the is to day & I  
is submitted on to feel & see how our  
is & that I situation at the is  
is you to is more than the is  
is - I think yet I should have liked  
 like to fall asleep to to have had a few  
 night & but makes words in that respect  
 until early morning with you standing  
 I have had a letter from I might in conversation  
 Robert is decided what have been of use in  
 evening have that explaining a few  
 things that have

very soon after sunset  
& then we saw  
Yuffa Bay

along the shore  
there is a very good  
bay very large  
& near a very small  
cattled land to  
us —

Princeps Mary

to

The Prince of Wales
