Windsor August the 19th -
My dear Brother,
I can not leave Windsor
without scribbling a few lines to
recall myself to your remembrance -
I rejoice to hear such good accounts
of your health & hope by the time
I see you & I trust we are enjoying
the sea air & fine weather as
much as possible - I have passed
a most comfortable fortnight
with my Sister & find them
both very well August the 20th
particularly so & I hope certainly
better though the warm weather
now on her affects her a good deal

August & me drove over one morning
 to see to walk in the garden &
 look at the great additions you
 have bought in Mr Hunter's house
 & place - I had no idea it was
 so nice a thing & certainly will
 be
 a great advantage to the
 property when properly joined
 on to the garden - We dined
 on Sunday at Henry's town
 being the day he was birthday
 & found her very well with
 a cold the child however -
 & yesterday we dined at
 Oatlands & found the day very
 bright & pleasant - My last letter
 from William states that he
