My dear Brother

I am desired by Amabel  
to acquaint you that in  
consequence of the Paper on  
her side containing what  
was submitted to consider you  
the same Question ~~is~~  
in the side that was  
performed on the ground  
she desires me to add the  
Paper you will be obliged  
to give of her reasoning  
the circumstance to  
any soul as she does not  
wish it to be talked of  
She has been giving me  
a much the same

for some time I had  
 thought I had had nothing  
 new to communicate  
 other than that I had  
 she had had a cold which  
 I had been looking after  
 we have guessed in  
 every thing but the side  
 that Dr. Huddell has  
 in any way or manner  
 therefore she determined  
 to submit to this  
 very severe remedy  
 which was done  
 to day - I was leaving  
 the day it came

July 16 1809

in two sheets she really  
 is this evening full  
 as well as we have  
 ought to expect  
 I shall write again to  
 know ~~if~~ you will  
 answer this & send  
 her some kind message  
 as I know it will  
 make her very happy  
 I shall not enter into  
 what my father's  
 has suffered or how  
 much & so at every  
 an such a martyr  
 as you now find  
 them all to the

but judge of what I feel  
in mine —
