

[1819]

Bayswater Park August  
27-

My dear Brother -

I have been quite  
settled at this place  
since this day week -  
& find all the im-  
-provements great con-  
-firmed - The new book  
room is a charming  
living room - and  
The new bed rooms and  
dressing rooms, though  
small very comfortable  
The place out of doors

[1819]

is likewise much  
 delighted & improved -  
 & my garden must  
 enjoy it - I hope  
 August will pass  
 a few days with me  
 next week - I had  
 the satisfaction of  
 sleeping as last night  
 fast night with my  
 sister & left by  
 my thanks will  
 & getting out next  
 day - We went to

Bybrom Road Sunday  
 & I never saw them  
 or the attended & the  
 Ball though full  
 last night (any far  
 I ever saw before) -  
 The Duke invited me  
 to ask you a very  
 great favour which  
 is of the highest  
 honor you have to  
 do but occasionally in  
 the Great Park -  
 You may be some

he will never give  
with any intention  
but to send which  
is called to give  
title which is the  
only place it ought  
to go to & the justice  
he might be allowed  
a day & a night  
and then would  
be a good occasion  
to leave, God bless  
you and bless me  
your aff. Son
