My dear Mother

I only write one
 line to tell you that
 our dear Polly is better to
 day but a sleep was taken
 all with one of her very
worst spasms yesterday
 she being as usual in it
 as going off kindly to
 day but she has been
 very very ill under
these times - All that
 I can do for her now

last remedy was more
than the delicate
little frame could stand
therefore I own I expect
this attack would follow
It is the same powder
as I used at London
The justice to say he
did all he could to
avoid being taken
but he actually
would force himself
into Appl's room to

from these conversations
with the French - I shall
write a paper to be
presented
