Nov<sup>r</sup> the 14<sup>th</sup> Windsor

My dearest Mother  
 This moment I have  
 received a very kind letter  
 from the Duke full expressing  
 his Gratitude to you for  
 all your kindness concerning  
 Brighton & begs me to say  
 with his Aunt's Duty &  
 love that he is rejoicing  
happy when I am under  
 your care at Brighton  
 & as you are so kind  
 as to write him also he  
 will certainly come &  
take me away - He

wishes me to explain to you that we had intended to get back to Brighton Park on the 9 of Dec<sup>r</sup> but in consequence of all your business we will postpone going home until the 15<sup>th</sup> & we will come down for the last couple of days to Brighton and fetch me every day as many important questions will be coming on in Parliament which

[1819]

~~I~~ ~~shall~~ be should but like  
to ~~be~~ ~~stay~~ stay very at  
Brighton a few days longer  
than intended will  
be very delightful but he  
hopes I will explain  
the importance of our  
nursing beyond the 15<sup>th</sup>  
as we have promised to  
keep our work in Dec<sup>r</sup>  
between the Penland &  
Bridgwater & we have  
company coming to us  
& so much going on

out of doors at Brighton Park  
that he would go home  
the 15<sup>th</sup> He appears quite  
delighted at my going  
to Brighton & in the  
most numerous ways  
he knows how to supply  
it even makes me to be  
with you & that it is  
on the part of me  
his trip to encourage  
& promote the cause that  
he knows entirely thoroughly  
is - I therefore believe  
Brothers of course should  
never favor your  
what class for certain

you will see to come  
 of it is not to the 29 -  
 I try to recall to your mind  
 the 28 falls of a Sunday  
 therefore I had written  
 come Sunday the 29 -  
 as though the says  
 nothing about it & yet  
 I know he would not like  
 any more. I am long of  
 a Sunday - I don't reply  
 is certainly letter & I hope  
 this steamer is going  
 off as quickly as possible  
 however she is not  
 enough advanced in

been necessary to be left until  
~~some~~ Wednesday with and to  
 seeing for Henry Thompson  
 he came down to see me  
 night - I think was at  
 Winton yesterday quite  
 ill with a violent  
 cold & cough - William  
 has note to Edward  
 to say after ~~the~~  
 publication that he  
 appeared he would not  
 to me since, but has

would be less an objection  
 to the op of Chancery meeting  
 the op of Hunt — Every part  
 is but my own or I had  
 one other attack of  
 Cholic last night  
 but I hope to keep clear  
 of the 1<sup>st</sup>

Yours  
 Murray
