Dear the 5 Brothers
 My dear Brother
 I am very much
 of you with all the business
 & anxiety in your mind
 to write to me - I really
 was surprised with this
 week of paper & pencil - I am
 fully sensible that you have
 much to do but I trust
 that you will be able to
 come down for a few days
 the end of the week - I have
 had a letter from the
 Duke today saying he shall
 come & see me either Friday

on Saturday from being stated
 & all I think is that you
 will not be Brighton if
 he comes it will be very
 things to me & will be
 a great disappointment to
 me if you can not at
 Brighton ~~see~~ where he
 arrives, to do any thing
 whether try all you
 can to get away
 Friday after noon is
 that if you don't come
 to dinner that you
 may get down by

but
 and
 but
 do
 the
 for
 by
 all
 not
 you
 are
 & I

 remain writing my
 letter for a while if you
 do not come. I am sure
 the change of air & a
 few lines of good will
 by you as I quite do
 all this for of having
 with out a little rest
 your work of appetite
 among me I wish
 & the living in all
 the unity but thinking
 you ~~to be~~ ~~down~~ your
the throat must in the

long now require your
stomach & I have such
faith in Sea air that
I can not help ~~happening~~
hoping you may get
just a few days recreation
which may help to
restore the tone of the
stomach & make you
to get some sleep &
an encyclopaedia will make
you better able to ~~attend~~
endure all the business
& anxiety that is going
on - Truly yours

do not write you for 84 hours
 yesterday in the first place
 I took a walk & fully intended
 calling on Mr. Williams
 but it rained so I gave it
 up - In the evening I heard
 the Cunningham's lady
 Elizabeth had a head ache
 so was left at home
 but the Warricks & lady
 were expected come & I
 Cunningham was a
 great addition to the
 party - So day I have had
 all kinds of news
 from your good friends
 since that walked & drove

with the truly successful
of course a visit to Lady Helen's
God bless you being Sunday
I have & we keep the
rest of the day to ourselves
as you are well at
Brighton I have not
made very well reports
since (to not doing
nothing) with company
therefore feel we are
better by ourselves.

Yours
Denny
