Brighton Dec<sup>r</sup> 29

I hope my beloved Brother you  
got to home quite safe  
with the travellers all the  
snow & got to bed  
& that I shall see you  
Friday quite well  
& that nothing will  
prevent your coming  
in time for Dinner  
as it will be a most  
awful disappointment  
if you don't keep your

promises from Winton the  
letters say the King is  
very comfortable - The weather  
is cold I only went to the  
bath & came home  
immediately & have  
been well -

Yours  
Edward
