

Jan 7th 1820 B P

I had just wrote you a letter
 Brother when I received a letter
 from Sir Henry enclosing
 such a one from you
 that was truly well
 me - so full of affection &
 kindness that no words
 can describe all I felt
 in reading it & how
 thankful I ought to
 be to enjoy the friendship
 of such a Brother

I blame me it is not
~~the~~ ~~honour~~ among me
 are very grateful heart
 The color of Green being
 pure so all numbers are
 all of a trunk & I
 think it is one of the
 events in life that
 I could not suppose
 (any had happening
 to you) - I should under
 have flown up to you

I had followed the dictates
 of my heart should have
 gone to you in person
 but I thought that should
 recommend my business
 wanted me. I want it
 but have fully when
 has full the full reply
 I can not see mine
 but will write you
 to know in next
day & to fulfill the
business of you
in the course of your
own business

compared her really rather
my name *Wm*
Money

I am not at all
satisfied with
Blanchard her only
objection is
the Duke's eye less than
