Windsor Castle Feb 7th 2

My kindest wishes
 may bless all
 I shall be spending my self
 once again in the castle
 & after all that has passed
 with in
 the last 10 days - the meeting
 between my father & myself
 as well as being able
 to make after he had
 performed his most sacred
Duty yesterday - your own
 kind words to a letter
 judge of all the feelings
it caused them I can
 describe in writing &

I will not take up more
 of your time than to
 say - on the whole I find
 my two sons better than
 employed than I expected
 my father would be
 known than I had any
 idea of - & they still
 with me as before, but
 I fear we shall not keep
 it off much longer
 as the clock is struck
 but night & has had
 no sleep, however the
