

His Majesty George 4th 422

ADD. 12

My beloved Mary,

The weather is so very
unpropitious this Day, &
from the vast quantity of
wet that has fallen, the
Tents will be so wet, &
what is worse, will un-
-dergo damp in consequence

for some Days to come,
 that it would be downright
 madness to think of going
 there tomorrow. But, my
 Affection, is abominably
 prevailing, but I hope
 by the end of the week
 we shall be able to make

our Party on the water
 good. Affection,
 ever Yrs most affectionately
 Royal Lodge.
