

Dear Mother

A thousand thanks
for your kind letter
I am happy to find
that you are
well after your
experience of the
two last days I
hope you will
keep so. - Edward
will be shipped

to dine with you
on Friday & highly
glattered by your
invitation, if I can
not to take this
away on Saturday
And the weather
be better I intend
to fly into the country
for two days
I have a place

2 I mean to take
it with me. And
you then you will
him to accept your
invitation in case
I cannot go.
I must not leave
the nurse to my
attendant I shall have
called upon you.
Ever most affly
yours &c
