My dear Brother

In line I must write to
 my dear dear Amelia was not quite
 well yesterday more so in
 her side & my coughed all
 day she had an independent
 night from from & so on in
 the side which I think just
 the same - The cough is
 certainly better - I expect
 I see Thursday or Friday when I
 hope my friend Tom something
 better than when he was
 last at my mother, but I
 fear he will not say she
 is as well as before she left
 Windsor - I received a letter
 from my brother yesterday
 saying the R had received a

letter from you which
 you think great pleasure
 & so it was with confidence
 to me knowing it would
 make me happy & with
 no idea it would come
 round to you again. I
 can't help informing you
 of it as I am certain
 that I would not have
 made me aware of it if
 it had not really been
taken as you would
God bless you
Yours affly
Mary

We expect Edward the 9th July till us
Monday to go to his Perfetto & from
thence to his sword to be returned
to him on next day —

I wish if you stay much longer
in June you would call
more frequently on Goulet
it would make her to be happy
