

My dear Mad Amos -
 We should be to the
 quite delighted to
 come to your Aunt
 I only I will be
 with ^{you} at one o'clock
 We had nothing
 come home at
 night as Adolphus
 was on good terms
 for the Southern
 Government in the
 time - We should
very much
love to see
you

I hope this plan will
 not pass here by
 answer as we are
 anxious to give her
 a quantity as little
 trouble as possible
 I am only afraid
 as matter to time
 the qualification
 I planned of seeing
you to the love
comfort to see
 that we were
 forgot our old

dearly I would -
 I write this in hopes
 you may get it
 in the course of the
 summer - I hope to
 see you
 Weymouth July 23 -
 My love to my mother
