My dear Papa

I am happy to say my
dear Amelia has had some
sleep in the night & passed
a better day yesterday &
we went in the boat for
an hour which made
off better than I have
ever it yet — I am
your ever in the
evening & Brown friends
The Duke full to day
but does not appear.

disturbed — that she
was much worried by
seeing Frederick but
the joy caused some
pain. Her own at last
you had a moment
pleasure that I can
not say how glad
I am to be
down to see her —
Yours affectionately
Mary
