1804  
 My dear Mr Adams  
 The Duke of York was with  
 me when he read your letter  
 & gave no answer but as I  
 gave it him immediately, but I  
 am sorry to admit your request for  
 George has not succeeded as  
 the King gave the Duke who  
 was Lieutenant Colonel of the Duke  
 of Cumberland's Regiment the  
 Lieutenant Colonel of the Buffs in  
 exchange on Monday morning  
 I am truly very dear Mr  
 Adams that George has not been  
 as fortunate as I could wish upon  
 this occasion & sincerely hope upon  
 some future period I may be  
 of service to him. I hope you  
 do intend coming to see the  
 Queen by not saying we need

on the subject in your letter to Gaudy  
I hope to hear I have no desire  
of seeing you in America, it would  
be very much wished to be  
here all the year round in the  
country - August & October are  
the best

Yours affly friend

W. A. G.
