

My dear Mr Adams
The Queen has been
so kind as to say
You shall be lodged
at her House in
Park Street where
You will have a
room for to sleep
in a sitting Room
& a room for your
bed. You need
not trouble yourself
about breakfast
as the House
keeper has orders

to provide every
 thing you may
 want - I have
 told the Queen
 you will come
 Monday evening
 & that I hope the
 shortest time
 you will stay
 will be three
whole days
 I thought you
 would like
 to see sleeping
 in the camp

soon with you
 therefore have
 arranged accordingly
 Yours truly
 Mary
 Monday morning
 I found another
 certainly better
