My dear Mr Adams —

I am directed by Board  
to inform you that we  
said your Brothers letter  
before the Board, they  
will <sup>be</sup> <sup>in</sup> <sup>the</sup> <sup>case</sup> <sup>of</sup> <sup>the</sup> <sup>Directors</sup> to draw  
up a Petition in form  
to the Board signed  
by himself in order  
to make it an official  
Paper as that to Board  
was looked upon as  
Private I never received  
this message till yesterday

when I was at Black Bath  
 which made it impossible  
 for me to write till  
 to day — We are all quite  
 well & I really feel  
 quite strong & stand  
 up — I hope all  
 your family are  
 quite well & you  
 to Maria & Susan and  
 forgetting you all  
 ever  
 Wm

You  
 were

 were
