My dear Mr. Adams —

I write to thank you
for your kind letter & as well as for
all the information you have
given me concerning India
I should be very much obliged to
you if you will write to George
& recommend my Portugee
Letter — As the Queen's Lady has
sent to London & afterwards to
Colonel's letters of introduction
will be acceptable to both
places — I should be glad if you
will send the letters to me
that I may deliver them
safe into her hands —

The sooner you recd these
 the better as she is uncertain
 as to what days she may be
 sent for - Should you by
 any chance know any lady
 that is acquainted with the lady
 Barlowe Sir George Barlowe's
 wife who is going out in
 the same fleet with the
 young lady I should take it
 as a great favour if you
 would get her recommended
 to her protection as I think
 that might be good to her
 I am delighted you have
 got accounts of George
 being released from here

not
 sure
 but
 she
