Dec. 18 1810

My dear Mr. Adams

Many thanks for yours
of today. Many will be delighted with
it & kindly say about them. I had
not sleep so well last night, but
as no worse today. I had seen
the paper. He went to town today &
was satisfied many business are
shaken every thing that was
his parents state of the world was
high. I intended to put at heart
most of this day on him much
The Dean they had a good night
that had many requests & pushed
them & take us all out of our
sent parcels, they were heavy &
will be heavier if any Saturday
yet well; ——— we have just heard
of Mrs. Sumner's death. I thought

Daughter, I had suddenly withheld
sitting with her family to the extent
my word. She will be a great loss
for she ever excelled herself to do
things she would then publication
in my excellent. My Daughter
wrote to Miss Planta to inform
of it. I hope you weather is
better than our former storming
of gloomy. Many diseases
the several long diseases are
not that God's power began to
find himself greater business
which we hope he will continue
remember us to them & their
Daughters & believe me
