Mr Pordie's trial must off as well
and that the Duke of Kent's conduct
has been so completely cleared
up to the Public I am I
truly glad to see that
Cp in Justice has so completely
expured himself as well
as Mr Pordie, but more
particularly Cp in Justice
that people's eyes will
be open at last —

Mr Justice is much better
than with us for the
first time, to day —

Parliament continues very
much the same
as when I wrote last

only that she has had a great
return of fever within these
few days, which has made
us rather more uneasy
with her to be sure.
Believe me your affec^ted
