

accept my kind Love with  
 several regards to me. The trifle  
 that accompanied this: let it not  
 make me remiss to you and  
 in spite of all the illness of  
 my dear father, & your kind and  
 your friendship & affection and  
affection —

The int from my dear brother  
 was dear & I am quite happy  
 now you are not disturbed with  
 me — Pray the Peace & honor  
 will it be — Thine own —
