

My very dear George -

I send you these few hurried lines by the Post & will see in 2 or 3  
 days after receiving this send you a present to the Remembrance of  
 the Upper Lodge Stone House - I will then by the Mail with some  
 particulars, at present I can only tell you that I am not well though  
 well today as yesterday - The Ladies had a very good effect & after  
 dinner the Angel was presented & again at night - Chiffon extremely  
 seemed very necessary & this incident I have seen my father who says  
 that on the whole & by the explanation is left this evening, he is  
 now forwarding the up & has desired the Angel written to bid a ride  
 in fact in me in a most peculiar state, I stop to day - He wanted to  
 put him in a blister last night but that was postponed, Dr. Fry has  
 George in trough can in any degree desirable, the rest of evening I am suffer  
 - my child I am sure you was very imagine - I have not desire as  
 I repeated again that it was one more shown - but it turned -  
 Dr. Fry, for; my most affection love to Remembrance, & my affection &  
 your dear father from your truly affection

Monday 20. 1784 -
