

Lady Warrickcliffe to Mrs. Clarke
Enc.

Sept 7th 1893

WORTLEY HALL,

SHEFFIELD.

Dear Mrs Clarke.

You asked me to find
out for you what I could
about Lady C. Fuchs
gov. to G. III's children

I wrote to Lady Aylesford
and have this morn: rec^d
her answer. She cannot

tell me much. But
this is what she says.

Lady Charlotte Fuchs
was a daughter of
L^{dy}. Winchelsea's she

Mrs. Clarke
Warrickcliffe -

does not remember having
ever heard that she had
any relations of the name
of Skinks. But there
was an old lady of that
name who was a great
friend of 2 old Miss
Finches - Cousins of the
present L^{dy} Ayleford's
grandfather.

I think that those Miss
Finches may have been
daughters of that very

Lady Charlotte.
