

Sir Guy Carleton

12<sup>th</sup> November 1782

To

R<sup>r</sup> Adm<sup>t</sup>. Lord Hood

New York 12<sup>th</sup> November  
1782

My Lord,

I enclose for your Lordships  
information, an extract of a letter I have  
written to Lieut General Leslie, and that  
of an other to Governor Campbell, and  
I most gladly take this occasion to express  
my very high esteem of your Lordships,  
and to wish you upon a personal as well  
as public Account all the success and honor,  
which your public Character warrants us  
to expect. It is with great Regret that my  
attentions here will not permit me to pay  
my duty to his Royal Highness personally,  
and to wish your Lordships, which I very  
sincerely do, a prosperous Voyage. I have  
the honor to be.

My Lord

Your Lordships  
most obedient, and  
most humble Servant
