27 Handley Square  
Margate 5<sup>th</sup> August

Sir

I have delay'd returning you  
my acknowledgements, and best thanks, for  
the £20. received here, and for all favours  
in hopes of, telling you, I was on my  
way, to give the Stafford Supplement.

I had a letter, from Col<sup>l</sup> Edlich,  
dated the 27<sup>th</sup> of July, desiring me, to  
hold myself, in hourly readiness, to  
join him, that I should hear from him,  
the moment, he heard from Lord  
Walden, to whom he had sent, my  
name, for approval, that post, since  
which, I have never heard a word, but  
another vacancy, has occur'd; this will  
plead my excuse I hope, for not sooner  
acknowledging, your goodness, of an  
order on Mess<sup>rs</sup> Cobb, & Son here;

I am not sorry, for the delay in my  
appointment, as every day has added  
to the recovery of my health. The only  
doubt I entertain, of continuing, in  
so active an employment"

I need not re-  
mind you Sir, this is the time, for  
pursuing, a Baron's situation,  
as there are, many new appointments  
on foot, at the present crisis of that of:  
fill

I shall, what you say,  
as to replacing, the different sums, you  
have so kindly advanced, into Messrs  
Lott's hands, in November; I have no  
doubt, of receiving, all my money, des-  
iring that I may, as it is mine, and  
my solicitor tells me, legal forms as  
done, attend its payment.

The moment, I hear further  
from Col. Elliot, I shall trouble you

with where, as to my motions, but  
let me entreat you Sir, not to forget  
me, as an opportunity offers, as to  
a more permanent, and a more  
quiet employ. For my health is, con-  
siderable, at any time of life

Please the honor to be, with all due  
grateful respect Sir

Your most Obedient  
very obliged servant  
John Robinson

To expedite matters, will you do me the  
honor, to frank the enclosed, to Capt.  
Staples, Stafford Militia, Kington?
