I trouble you with this
line today Dr. H. we
went to the Council
today is quite good -
He is better than last
night than yesterday
of having left, very
good tomorrow etc
no. I spoke kindly of
not so last night to
Sunday, but to be
properly kind &
write of every body
I write you more
to night but then

Just however unpleas-
ant I must feel
I believe the truth
his legs unless under
the morning the
my mother the
the left hand

I am your friend
and your servant

Yr friend
