My Dear Lady Albemarle,

I seize this opportunity with pleasure,
as I have the pleasure to receive your kind
letter & beautiful Silver Cup, &
wishing you many returns of your
Birth-day, & that you may see many
years enjoy them with Health & Happiness.

I have sent down a little
Cabinet to which I hope you will take
a Receipt to be an offering from me,
I should be glad to see it
in your new Room.

I rec'd a letter from Lady Twiston
who mentions having spent a
very pleasant Week with you,
this, they say, is a very
person - I should like

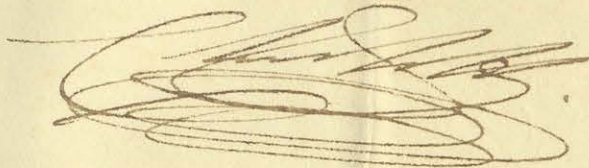

Ever get over his dreadful legacy
(which is that of a great deal of
money) He will be a great deal
I have seen, but I have not
seen you - Thank you for your
kind wish of my going to ^{Leicester}
I hope sometimes or other to
the pleasure of being your visitor
being the place - I should
have some very much being the
little blue dance, as to this is
probably a children's ball, they
so happy & the absorption that
one object - I am afraid
I shall not see you for some time.
Will you have the goodness to
remember me kindly to Mr. & Mrs.
I do say that I hope the best will
have hope, that they will do the
the favor of accepting it -

With My kind love to Captain & the
all the others,

Believe me

My dear Lady Almonck,

Yours very sincerely
Henry
