Since Charlotte being  
convinced I was only  
for a few Weeks, &  
finishing by chance  
that she should  
she has long ill  
cannot leave London  
without being her  
best & hoping that  
He will soon be  
much recovered &  
that his indisposition  
not of any long  
time. H R H

will not trouble  
me to finish  
any of the things  
his doing further  
to the Heptades but  
quite strong &  
unleaving being in  
no hurry besides  
I hope would be  
very easy to trouble  
him with anything  
which he is to have

Yours  
Obedient  
servant
