

Morning Prayer  
For the use of H.M.H. The Princess Charlotte

for Princess Charlotte  
aged 5  
from Mary Hunt  
1801-

Great and gracious God! who hast created, and who governest all things, Thou art the giver of all the good things we enjoy. I thank Thee for taking such care of me when I was asleep, and that I am alive and well this morning.

Preserve me from everything that might hurt me this day. May I always remember that the great God sees me, and that he will punish me, if I do what he forbids me.

I bless Thee that I have parents to provide me with food, and everything else I want. Do Thou bless them, O Lord God, and make me strive to obey them, and all the kind friends they have chosen to look me and take care of me.

May I be sorry when I do wrong, and try to get the better of my faults; and then I shall hope Thou wilt bless me whilst I live, and at last make me an inheritor of the Kingdom of Heaven; through the merits of Thy dear Son, my Saviour, Jesus Christ, who has taught me, when I pray, to say

Our Father, &

Evening Prayer

For the use of A.M.H. The Princess Charlotte

O Lord God Almighty! who art great and good, above all that we can imagine, and who seeest the hearts of all beings: Thou hast created upon earth, permit a little child, who wishes to be good, to approach unto Thee this evening.

Thou knowest if I have had evil tempers, & if I have been disobedient to the kind friends my dear parents have ordered me to obey, & who wish me to be good & happy.

Forgive me whatever I have done amiss, for Christ's sake; whose love for me I shall know more perfectly hereafter; and, in mercy to a poor little child, give me power over my evil propensities in time to come.

Bless my dear Papa & mamma, my Grand-papa, and Grand-mamma, and all good people. Take us all under Thy care this night; and may we awake in health, with powers to thank and praise Thee in the morning, in the words of our dear Redeemer, who has commanded us, when we pray, to say,

Our Father, &c
