

Thursday (Sep 1813)

For you may be tomorrow My dear
 Priscilla I could not understand the
 idea of not thinking you for your
 answer to the letter I without recollecting
 my presence alive to your presence
 in England At the same time that
 I might wish to hear of you
 from you when you were leaving
 but as you they had said I had
 received the last letter to I
 shall not to be in the least
 ill I will only hope to hear
 of you when and the other
 side of the water & I hope
 the as possible wish will
 be my only consolation to
 be able about you as I shall
 be better, but if I can't

they say chance belongs to fortune
 in turn then I understand by
 the nothing by the collection
 can promise of the thing of
 can not the length of time
 can not the length of time
 as I think the picture
 blend with the colour
 of the face, it is therefore
 the mind and the body
 to access it fully it is
 for the whole of the
 used in the occasion
 but still of being highly
 to observe can be said
 binding for this point
 myself - I shall be
 showing with some
 the matter is to be

much as possible. I have been
 better to a proof. I have
 more complaints than I had from
 any body else more than my
 friends to that I could not think
 you could be having any other
 opinion & I should really like
 to see you more frequently but
 not when you are away. I hope
 you will always do the same
 in future. I thought you
 would be more likely to be
 pleased with the originality
 of the letter than the reproduction
 in Albany with the original
 from which I have been
 surprised to find to be in
 the early picture & I could
 not help to send you the

that remain the same. To rule
always like it better. The
reports from better in taking
leave, but for a convenient
short time with Rowanite
cannot but oblige the same
the same, who the nothing
importance to do to have
Dear Madam that Schuster
is felt but a combination of
some of the pieces that have
been used already. We find
Gautier with the same
delight being their plan of the
his adventures once again
in the past thought by his
mistake. A number were
all that have the 10th of Sept
I have last history of "The
and doleful state" for

Cont

When we were pleased with it
 I saw me that I saw the
 line combined for me the
 favorite words I saw them
 I saw only by that the words
 were better than I had the words
 felt. - I saw the words
 were on the words before
 I had made out the words
 but they were not the words
 to be that I had the words
 which I saw with in the
 with the words of the
 clear this when I saw
 it a point of the words
 I saw the words they saw
 they saw only by the words
 & all the words during the
 words of the words the words

in the delight of a happy happy
 meeting. I have not forgot the
 promise of being over in the
 summer to receive a letter from
 you with a gift of your
 skin — and in addition
 every blessing attend on you
 & family that winter time
 may be as even as winter
 as winter before to you to say
 that a summer time

Your Dear & Affectionate

Wife

will be found to the effect

being

Very excuse

this hurried scrawl

but I have to be too late of my expense

[The main body of the page contains a large, faint, and mostly illegible handwritten map or sketch. The drawing is composed of numerous light lines and shapes, possibly representing a landscape or a technical drawing. There are some darker spots and a small red dot on the right side of the page.]

is being very much the same
