Dear Mr. - I have almost ^{been} ~~been~~
 from the account of you as
 will be the old problem that
 it was believed you might
 not be allowed to come here
 before your Brighton journey
 but I must thank you candidly
 disappointed when ever
 I heard you - I wish
 to see you at the meeting the
 much too good & would be
 anxious to visit when the
 subject. I have only to say
 & that I will write the whole
 with pleasure, that ^{all} ~~the~~ ^{will} ~~subject~~
 remains to be said ^{of} ~~the~~ ^{subject}

I received us both on the hand
 sacrifices & disappointments we
 have made. I send with some
 merrily — I am delighted to
 find your forgiveness that you
 aimed to help me do
 It is hardly believed I suppose
 to see to my having what
 you wanted to do in
 course, but I am in
 with my own I do
 to be sure, and again before
 a certain amount. I am not
 in bad spirits about it, as
 very hard but I do think
 it is a very business and
 necessary to 4 feet, a method
 can be done but quite
 concerned about. I have
 got to be with the

writes, & only hope to confirm
 so - Lawrence has been named
 as a very successful
^{like} ~~like~~ of me, they look at
 it when I see one, he will be
 have again seem to do one
 of the P. See me. You very
 receive both the month
 between the papers I have
 seen P. papers to receive
 the best profits, but before
 we send the time, I should
 like to know what part of
 a person he is, I don't think
 is to be treated as a gentleman
 or simply to be a gentleman
 The P. desires to be
 kindly remembered to your
 ever and best regards to
 "P. See me" always
 I am very off to
