Dieu mercy toute les jour
 nete i pas admirable ce que
 mes enfant qui son venu de
 Kinsathon me disse, Je crain
 ma chere amie que les lettre
 ne viendron pas de bon heur
 demain puis que amelie dor.
 si tard, Je crain que votre amie
 perdrais son voiage, Je le prie
 daller, et de revenir le plus
 tost quil pourra, Je vous en-
 verais toutjour les lettre afin
 que notre Esculape reste dan
 ce train, Je crois quil devine
 les pense de ces gens puisque
 justement Ctegethall la prepa
 pour me parler, de fair quitter
 le Kenfina, mais Je luy aje
 declare, quil ne se montre
 jamais devant moy, si il en
 parler au Roy, asurement
 elle le continuera, adieu
 ma chere amie

God be praised allways.
 Is it not admirable what
 my children who are
 returned from Kensing-
 ton tell me: I am afraid
 my dear friend that the
 letter will not come soon
 enough in the morning
 since Amely sleeps so
 late. I am afraid your
 friend will loose his
 journey. I beg him to
 go & return as soon
 as he can. I will send
 you the letter every day
 to the end that our
 Esculapius may know
 how we go on. I believe
 he divides the thoughts
 of these people. Since
 Stegerthal has been
 just now pressing her
 to speak to me to let
 her leave of the Kingina
 but I have told him
 that he shall never
 appear before me if he
 speaks of it to the King.
 she shall certainly
 continue it. adieu
 my dear friend
