Tho my compliments may be  
 some of the latest, yet none  
 I dare say are more sincere,  
 Dear Lady Suddon, upon the  
 mark of distinction & favour  
 lately shew'd you by papa  
 & Mama, I hope you will many  
 years enjoy it, as well as Lord  
 Suddon, who I congratulate  
 also, with all my heart, & if  
 you will both continue your  
 friendship for me, of which  
 you have given me, so many  
 proofs, doe me the justice,  
 pray, to be perswaded, of my  
 gratefulness, and believe  
 me always your hearty friend

Anne
