Mama sends you y<sup>e</sup> 100 pound y<sup>e</sup> y<sup>e</sup> 9<sup>th</sup> of Kent asked for Mr  
Laurins widow. She orders me to let you know y<sup>t</sup> she will pay it every  
year about y<sup>e</sup> time, as long as y<sup>e</sup> widow lives. As she is but a very indifferent  
manager you will be so good to put y<sup>e</sup> 9<sup>th</sup> of Kent in mind to take care  
of y<sup>e</sup> distribution of it. You are so good natur'd & so willing to oblige y<sup>e</sup>  
great many such commissions go through your hands.
