

ADD. 30/2

The image shows the front cover of an antique book. The cover is decorated with a complex marbled paper pattern. The pattern consists of large, irregular, cell-like shapes in shades of blue and grey, separated by thin, branching veins of red, yellow, and brown. The overall effect is reminiscent of stone or biological tissue. A central rectangular label is pasted onto the cover, containing text in a decorative, serif font. The label is framed by an ornate border. The book is bound in a dark brown, textured material, likely leather or cloth, which is visible at the edges. The spine of the book is visible on the right side, showing the binding structure and some wear. The book is placed on a dark, possibly black, surface.
