

(1733)

Sketch of the Education  
I mean to give un to my Sons

---

Previous to mentioning the Means proposed it is necessary to lay down the End that is meant to be attained, which is the making them Christians, & Useful Members of Society.

1. The English Language shall be the first thing taught & that Grammatically, which shall be chiefly done in books of Religion & Morality & shall repeat some of the most pure & elegant passages from the best English Writers.

*Faint, illegible handwriting at the top of the page.*

*Multiple lines of very faint, illegible handwriting in cursive script.*
