Prince of Wales
Oct. 1795.

Dear Greenwood,

The enclosed Papers will explain
sufficiently the business upon which I write
to you. I beg that you will either see
the Duke or Brunswick, & obtain permission
that poor Newman may not be order'd to
the West Indies, as his health which you
will see by the certificate is by no means
in a state to admit of a possibility of
his going. I am much oblig'd to you

for your letter, will conform with you
what is best to be done on Sunday
if you will call upon me early.

Brighton.

Most sincerely yours
George Pitt
