

The King 1820

To Sr. William Knighon

Sr. G.^d. most private.
 I write in great haste, & but so that
 as I wish to have your answer as quick
 as possible, ^{& upon the Papers just reciev'd & now inclos'd} in order, that there may ap-
 pear, so much delay on my part, that
 might ~~appear~~ ^{be} consistent ^{with the}
one of my Letters of Yesterday to
 the D^{ch} ^{of} ^{the} ^{North} ^{West} ^{Min}. I say, therefore do some
 as expeditiously as you can ^{for me}
send me such an answer, as you think
I ought to send, under the existing
circumstances. If you will let me
 have it, by my Bed Hour tonight,
