To his most gracious Majesty  
 I have much need of a little money.  
 A table of a thousand or two which c<sup>d</sup>.  
 not be missed in £1000000 would satisfy  
 my present wants and I th<sup>d</sup>. feel  
 much pleasure in always supporting  
 you through thick & thin your adminis-  
 tration. Otherwise I am  
 yours &c.
