

[Acc. 583: part]

Mr Nesbitt Esq
Grafton Street

My Dear Sir,

I did myself the pleasure of calling on you today & found you had returned to Town yesterday. Mr. R. K. came back from Windsor this forenoon, & made the usual enquiry. I hope you may have an opportunity of seeing his friend to morrow, & if possible to come roundly to the point. I shall be ready to wait on you whenever you please, & am always with

very sincere respect & esteem,

faithfully Yours
