

My friend

I do insist upon it that you do not order a Bracelet
I have by me some of your Hair - I will not accept any more
presents - I will not lay under any, any obligations.
Ours is not a friendship upon ^{solid} vulgar terms. - judge not of
my sentiments by ^{present} my situation - Adieu all I can say in
answer to your last, is, that to end of my existence I
will be your firm & faithful friend.

I repeat I will not go at present.
Adieu Adieu
