

Entre nous she is much too trifling &
unsteady - she, in my opinion, behaves im-
properly to her Husband - petulant, conceited,
contradictory - she must be careful for this
will not do - besides it strikes me as very
ungrateful - if she chose to marry for an
establishment (how I detest that plan from
y^e. general motive) - she ought to make every
return in her power to his love &c &c &c
He is very fond of her at present & libally
generous to her -
