

Albany.
 Aug: 15: 1822.

Dear Daniell,

I have this morning received yours
 No: 15 and it's various enclosures: I now return as usual
 the proper papers signed: I suppose exceedingly of
 your having begun to put the house in proper or-
 der as at last it will be back on 5 October;
 we are all well and hope to bring the Dutchess
 and Augusta to England quite soon; adieu and ever
 believe me,

Yours sincerely

Wm Pitt
