

June 16th 1869

I would you had better this evening and unwillingly wish to disparted you was
 here saying you have infinitely I am obliged to you for taking a busy hour
 a part in my behalf - I am more thankful than I can express only cannot
 that my thing I said should have found nothing to you just recommending
 I mean in regard to the Migration - I wish you would help me in
 my answer to Her as I humbly wish to get done of the business
 for fear we should set up most work which is blatant - I might say
 : know of your objection about the Bishop but also was grateful to
 him to tell him the decisions of the - I am I am much indebted
to you for I am in hope she knows the real value
 of a hour a period - If I have been you troubled I shall write
 again; I am all anxiety for your opinion about the letter I
 do not hope you will be able to send me a copy of a few lines to Mr. Erving
 part of this sad business as I am sure speaking to others will
 be of no avail - Very again accept my thanks - I am glad
 you have by no means from the fact -

Yours truly
 J. D. M. J. J.
