

to Mrs Chicheley pre 1807 (death of Mrs Chicheley)

My dear Chicheley

I have received Mamma's commands
to desire you will write by the next Post to Mr William
Parker of my he will have the goodness to send to you 5
under his care to Windsor on Thursday with a Bond
for our Bull - Mamma desires they may be returned
to her grace - The Queen applies to our dear Sir
William as she is sure he will with pleasure com-
mit the it for her, & indeed she would not find him to
be much trouble, but she does not know who to apply to
in Town - Dear dear Chicheley I believe me

Your Obedt Servant

Spencer

If you know a gentleman who is more than the best
it is my will, but I fear you will not send
you and Hannah on horseback a Betty in our
Air Ballon - All my fears are that Mr William
will be just above this letter mine.
